About Outer Banks Blue

[Outer Banks Blue](#) was formed by Tim Cafferty in 2005 after over 25 years in property management on the Outer Banks. With experience in both a smaller, family operated company that evolved into a leader on the Outer Banks in occupancy numbers and technology under his expertise and in the management of a nationally recognized, publicly owned corporation boasting one of the largest inventories of homes on the Outer Banks his vision of a more personalized management opportunity developed into the conception of Outer Banks Blue Real Estate Services.

Experience and reputation in the area for attention to detail and integrity along with a team of experienced and dedicated personnel has brought Outer Banks Blue into the forefront of rental companies. With an original goal of 50 homes easily surpassed in two months of operation, it became very clear it would be necessary to promote this vision with a dedication to their clients for responsible growth, and a dedication to their customers with quality homes. Therefore, the decision was made very early to be selective in the properties and areas they represent.

Today, Outer Banks Blue represents nearly 200 premier vacation rental properties in the Outer Banks of North Carolina.
